DESCRIPTION

Samsung Galaxy Note9 has the power and speed to fuel your always-on lifestyle. With Note9, you can live and work in new ways, see and do what you couldn't do before, and stay ahead of the curve.

A long-lasting, all day battery¹ means you won't be slowed down by a lack of charge – and with 128 GB standard storage that's expandable to meet your needs², you can create and keep all the photos, files and videos you want.

Featuring a 10nm processor to unlock super-fast LTE speeds, a 6.4 inch infinity display and stereo speakers tuned by AKG, Samsung Galaxy Note9 offers immersive experiences wherever you are.

The enhanced Bluetooth-enabled S Pen acts as a remote control, making it easy to snap the best selfies or control your next presentation.

Plus, with the intelligent, enhanced camera – that automatically detects flaws and optimizes colour – you'll never miss the chance to capture your best photo.

When you're ready to shift gears, fully integrated DeX Mode³ gives you the flexibility to work how, when and where you want with a desktop-like experience.
