## DESCRIPTION

With the Samsung Galaxy S8, every moment is what you make of it. New features challenge the limits of today's modern smartphone and combine to reveal the latest in premium mobile technology. The Galaxy S8 features our biggest smartphone screen to date on a seamlessly rounded Infinity Display, improving Multi-Window over our previous smartphones, while delivering an immersive, cinematic experience. The 8MP front-facing auto focus camera captures clear, vivid shots with continuous face-tracking technology. The Iris Scanner authenticates your identity with no physical contact required, so you can unlock your phone with just a look. The Galaxy S8 has an IP68 rating that protects against dust, spills or submersion\*. Take in superior sound with AKG-tuned earphones, Ultra High Quality (UHQ) audio support and audio sharing compatibility between two Bluetooth devices. Experience your own personal assistant with Bixby, a new intelligent interface that can complete a task in an instant. Paired with DeX, the Galaxy S8 can deliver a PC-like experience featuring an innovative UX that allows you to experience your device as if it were a desktop. There are moments in life when anything seems possible. With the Samsung Galaxy S8, you'll be ready.
