DESCRIPTION

Reimagine the way you capture and share your experiences with the Samsung Galaxy S9.

Add drama to storytelling with a simple way to shoot in Super Slow Motion at 960 FPS (frames per second). Capture the moment within the moment with Auto-Motion Detect, which starts recording whenever motion is detected.

Take professional-quality photos easily with depth-of-field and low-light clarity.

The Samsung Galaxy S9 lets you easily create custom emojis that mimic your appearance and dynamic facial expressions with AR Emojis. The Infinity Display, now with more detail and improved performance in daylight, delivers deeper blacks and higher contrast. Dolby Atmos delivers immersive virtual 360-degree surround sound with AKG speakers for louder, clearer and virtually distortion-free audio¹.

Create memories that demand to be shared with the Samsung Galaxy S9.

Built-in memory	64 GB
Display	5.8" Quad HD + Curved Super AMOLED
Camera resolution	Rear: Super Speed Dual Pixel 12MP AF sensor with OIS Front: 8MP AF
Processor	10nm, 64-bit, Octa-core processor (2.8 GHz Quad + 1.7 GHz Quad)
