

Until March 31, when you bring your own device you can get unlimited data and more for only \$60/mo.¹

This limited time special plan includes:

- Unlimited Canada-wide data²
- First 150 minutes nationwide calling in Canada are included. \$0.45/min for additional minutes.
- Unlimited text, picture and video messaging in Canada, U.S. and most of the Caribbean
- Enhanced Voice Mail & Call Display
- Worry-free roaming with roam & RELAX U.S. Daily Rates

And, you won't be tied into a contract either.

When you switch to SaskTel, there's no need to contact your current wireless provider and you can keep your phone number! Just bring your device to a [SaskTel Store or Authorized Dealer](#) and we will take care of the rest.

Interested in one of our other [wireless plans](#)? Bring your device and get \$10 off your wireless bill each month.

¹SaskTel wireless bill will show \$70 rate plan charge and a \$10 credit to equal \$60 per month. The wireless device must be unlocked and compatible with the SaskTel wireless network. Must bring your own device to receive the special rate plan. For existing and new customers with a new activation. Other conditions may apply.

²Speed reduced at 10GB. We reserve the right to limit a customer's data speeds if they exceed the limits outlined in our Fair Use Policy. See [Wireless Data Fair Use Policy](#) for complete details.
